Important to know

Your next meter reading: Jun 3

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. If your service is disconnected because of a missed payment, you must pay your past-due balance in full, plus a reconnection fee, before your service will be reconnected. The reconnection fee is \$8.00. A security deposit may also be required.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Late payment charges

A late payment charge of 1.0% will be added for any past due utility balance not paid by the due date.

Storm Recovery Charge

This bill charge was approved in a financing order issued to DEC by the NCUC to recover storm recovery property. As approved by the NCUC, a special purpose entity is the owner of the rights to collect the storm recovery charge and DEC acts as the agent collecting for the special purpose entity. Visit dukeenergy.com/SRC to learn more.

Para nuestros clientes que hablan Español

Representantes bilingües están disponibles para asistirle de lunes a viernes de 7 a.m. -7 p.m. Para obtener más información o reportar problemas con su servicio eléctrico, favor de llamar al 800.777.9898.
